Sir:

This Supplemental Amendment supplements the Amendment After Final which accompanied the Request for Continued Examination (RCE) earlier filed on 30 October 2003 (responsive to the Final Office Action dated 8 July 2003) in the above-referenced Patent Application.

This Supplemental Amendment simply cancels the Claims 1-7 and 15-18 which had previously been noted as withdrawn, and does not otherwise affect the other pending Claims.

Amendments in the Claims due to this cancellation are reflected in the Listing of Claims which begins on page 2 of this paper.

Remarks begin on page 7 of this paper.
